Dear Parents, Caregivers and Friends,

Welcome back everyone to a new term and one that is filled with Cluster events and other weekly activities. (See calendar above). Canvastown School is hosting the annual Pelorus Cross Country and Speech Competition; Education Review Officers are visiting us in Week 3 and in Week 9 the Senior Class are travelling to Bridge Valley in Wakefield for their annual camp.

We welcome two new students to the Senior Room. They are **Ashley and Kaytie Mulholland** who have come to us from Havelock . We trust you enjoy being part of the Canvastown School family.

Damon Zillwood was in the Under 52kg Marlborough Red Devils Rugby team that played at a tournament in Westport in the holidays. They won many of their games and in the end they achieved 3rd placing overall as Golden Bay/Motueka and Nelson drew first equal.

Netball – Pelorus Smith Farm (Marian) 10-17, **Primo Mussels** (Millie & Charlie) 15-8
This week's games – This week's games – Pelorus Smith Farm 10.30am Court 15,
Lightfoot Design 11.30am Court 8, **Primo Mussels** 12.30am Court 10

All the best to everyone for your games this weekend!

Birthday – Happy Birthday to **Griffin Carter** who turns **12** this coming Tuesday, August 1st. All the best for a great day Griffin! (It doesn't seem that long ago that I can remember Mum bringing you in for your first day of school!)

Scholastic Book Club Orders – These are due in **next Tuesday, August 1st**.

Da Vinci Visit - Hell's Pizza Reading Challenge – We still **require transport for 5 more students** if we are all to travel to Nelson for this educational experience. If you could please complete the attached form and return to school by tomorrow morning, your assistance would be very much appreciated. We will be leaving school at **9.40am** as we may have to negotiate road works on the way over. Our visit is booked for **11.00am**. If you are just taking your own children you do not have to come to school first.

If you haven't yet got a pizza wheel filled up, you have two days to do this or you will not be able to get a pizza for lunch. It doesn't have to be a chapter book, it can be any book/magazine you enjoy reading! Check in with Bridget or Mrs K today or tomorrow, to get them signed off.

Sausage Sizzle – The Senior boys have started the weekly Sausage Sizzle up once again, demonstrating responsibility and leadership, as well as viewing it as another source of income for their upcoming camp. They have set the price at \$1.50 for a bbq sausage; bread and sauce so if you are keen, do bring your money and order along each Wednesday morning.

Reading Nights - Congratulations to **Tessa Zillwood** and **Elina Lilburn-Goodwin** for achieving 100 nights reading, **Kaya Luscombe** for 75 nights reading and **Nikau Robertson** for 50 nights reading. Well done everyone!

Have a good week

Canvastown Community Association

Small Townships Programme. It has been confirmed that we have received funding of \$10,000.00 from the MDC Community Projects Funding for the enhancement of the entrance to Canvastown. Plans and ideas to be considered include – relocation of the wishing well, rustic natural timbre around information boards, maintenance of gold mining monument, parking places, tree and shrub plantings, timber fencing, picnic area and construction of a replica gold miners hut.

Adi James from MDC, would like to get the school involved as well, as it will fit in with our current Enviroschools programme – river bank enhancement project, planting etc. She will be attending our monthly meeting on Tuesday 8th August, 7.00pm in the Te Hora Room to outline details, costs etc for the various projects. Oral Health

Did you know?

That an empty chair at the clinic can mean that a child in pain misses out on an appointment.

Please contact the Community Oral Health Service if you would like to re-schedule appointments. Our therapist teams want to work with you to keep little smiles sparkling.
