Dear Parents, Caregivers and Friends,

We welcome Rachel Davis and Maree Furness, **Education Review Officers**, to our school this week. They are looking at how effectively the Board is governing our school, how teachers are accelerating the progress of students and how well our children are engaged in their learning. We have appreciated the time they have spent with us and look forward to a positive review, with constructive feedback, in the very near future!

A reminder to children that they must bring a plate or paper towel to put their food on if heating it up in the microwave. It has been getting messy again and we don't want to attract any mice.

DIVE RIGHT IN SUNDAY AUGUST 13TH 4:00 - 5:00PM STADIUM 2000

Blenheim Swimming Club is always ready to welcome new members. If you enjoy swimming, come along and find out all about the Club at our first DIVE RIGHT IN of the season. \$3 pool entry per child.

There will be fun races and relays as well as a mini skills racing session where you can practice how to dive and turn in a race, just like the competitive swimmers!

Club members (ages 8 - 16) will be taking part too and will be available to answer any questions you may have about the club.

You will need to bring your togs, goggles, towels and a water bottle. For safety reasons you must be able to confidently swim 25m (one length) of the deep 2m sports pool.
