Dear Parents, Caregivers and Friends,

The Senior students presented their **speeches** to judges, parents and community members last Wednesday morning. Both Mrs Bowes and myself were very impressed with the quality of contents and presentations of all speeches, so deciding on the final four for the Cluster Competition took quite some time. However our final decisions were – **Ayden Foster Yr. 8; Charlie Richmond Yr. 7; Rachael Kleinmeulman Yr. 6 and Luke Zillwood Yr. 5**. Congratulations to you all and all the very best for this Friday. (Attached is copy of the programme for the day. All members of the wider community are most welcome to come along to listen to some very entertaining speeches.)

We wish the **Junior Class students** all the very best for their **speech presentations today**, beginning at **2 pm**.

Congratulations to Virginia and David Hall on the birth of their beautiful baby daughter, Madison Joyce, born Thursday, September 7th. Charles is now a very proud, big brother.

Music Lessons – None this week or next week (15th and 22nd) because of the Speech Competition and the Senior Class/Junior Class Camps.

Senior Class Camp – Thank you to all who have paid their Camp fees. A reminder that these are due by this **Friday, September 15th**. The programme for the week has been finalised and the children have all received a copy of this. It sounds quite exciting! **(NB The children do not have to pay any extra monies for the extra activities.)**

We will be short on transport for our return journey on Friday though! It would be very helpful if one parent and vehicle would be able to come over and pick us up by 1 pm. Please phone school on 574 2103 if you could be that person.

Congratulations to Kelan Bailey who was awarded '**Most Improved Player**' for the Under 9, Central Rugby Club at their recent prize-giving ceremony. Well done Kelan!

Birthdays – Caleb Bailey-Gatchell will be turning 9 on Monday 18th September. All the best for a great day Caleb!

Have a good week

Candidates for Outward Bound

The Havelock Lions Club arranges sponsorship for a young person aged between 16 and 18 to attend a Mind, Body and Soul Outward Bound course. Funding for this comes from the Lions Club and from First Light Trust so that any young person who lives in the Pelorus area can be selected.

The course runs for 21 days and during this time our candidate will experience all outdoor elements and activities [Outward Bound](#) has to offer including sailing, kayaking, bushcraft and navigation. However the most important aspect of the course will be the realisation that our candidate can rise to the challenge realising his or her potential and learning that, with perseverance, dreams can be achieved.

Our candidate will:

1. Challenge him/her self and push limits
2. Reflect, discover what is important to them and determine their [future direction](#)
3. Learn about themselves from both success and failure to take their [confidence](#) and [motivation](#) to the next level
4. Discover what it takes to create effective relationships and be part of a successful team
5. Develop a stronger sense of personal responsibility in responses to real and challenging situations.

If you know of someone who will benefit from this course please get them to contact Debbie Healy. Her phone number is DDI 520 6262, mobile 021 284 2424 and her email address is greenprescription@marlboroughpho.org.nz.

Ex Southern Katipo Experience – This programme enables children to participate in and see the workings of evacuations/military aided humanitarian roles based at Smiths Farm – Linkwater. Activities that the students could take part in would be on Saturday 28th and Sunday 29th October. We would love to see involvement by local and cluster families. It involves an evacuation by a naval vessel from either Picton or Okiwi Bay to Nelson. For further information please contact - Chris Faulls – cbfaulls@xtra.co.nz

Touch Rugby – Years 7-8, Years 5-6, Years 3-4. Runs from Thursday 19th October – Thursday 14th December 2017. A minimum of 8 players with 5 boys and 3 girls per team. \$110 per team registration fee. If students are interested, we would require a parent/caregiver to act as coach/manager and run practice sessions. For more information please contact the school office 5742103. If you wish to play, you also need to ensure you practise as a team, at least twice a week, at a lunchtime.
