	12	Bugs Exhibition @ Nelson Museum
	15	Last day of Term

Dear Parents, Caregivers and Friends,

After a chilly start to the week, the sun has decided to shine and we can all enjoy a bit of warmth. Long may it last!

The annual **Pelorus Cluster Athletics Sports** are to be held at the **Havelock Domain** this Friday, 17th November, from 9.30 am to 2.15 pm. There will be no lunches available, only bottles of water from the Pavilion. Students need to wear their red and white Canvastown shirts, have shorts on and either wear sneakers or have bare feet. **Sunscreen to be applied before leaving home and hats must be worn. No hat, no participation. (Teachers will bring school hats on the day.)** Port Marlborough has kindly allowed **Free Parking only in these areas** – opposite Piers I and J on the western side and behind the hairy Mussel on the shingle.

We will require transport to and from the Domain for this event so if you are able to assist could you please sign and return the attached form a.s.a.p. At this stage we only have transport for half of our students. (Havelock Students, we will meet you at the domain)

Art/Science Workshop – This coming Monday afternoon, November 20th, the whole school is participating in an Art/Science workshop led by researchers from Auckland. As it is part of a research project, protocols have to be followed. **Please read/scan the attached information sheets, sign and return to school by this Friday please!**

Calendar Order Forms – The order forms for calendar orders, which need to be back in by next Wednesday morning, are attached to your child's calendar art work, which is in a separate, clear file envelope. They are bringing these home today.

Living Hut Project – There are **10 bags of compost at Bunnings, Blenheim**, to be picked up for our Living Hut. If anyone is going into town within the next few days and is able to collect it for us, it would be greatly appreciated. You will need to collect the receipt from the School Office first though. We also need **8 used car tyres**, so if you have any spare, we would appreciate these as well.

Touch Rugby – (Jude, Ayden, Griffin, Sarah, Charlie, Alice, Kane, Boyd) Another great win 11-1! All the best for tomorrow night's game boys!

Cricket – (Griffin, Damon, Luke) The team won by 50 runs last week. Good luck for this week's game boys!

Birthdays – Sarah Healy turned 12 years old on Sunday, 12th November. Hope you enjoyed your special day Sarah! **Eva Koutsimanis** will be turning 9 years old on Saturday, 18th November. All the best for a great birthday, Eva!

Have a good week
Karen Kellaway

KAITUNA RIDGES RAMBLE

25th November 2017

Fantastic and challenging 12km loop track to bike/walk/run around the ridgeline of the scenic Kaituna Ridges Farm at the base of the Pelorus Sound. The track will take you through large areas of native bush and along steep hillsides clothed in pasture, which offer extensive views of both the Pelorus and Queen Charlotte Sounds.
Kaituna Ridges Farm, 76 Readers Rd, Havelock, Marlborough.

Registration from 8:00 – 10:00am
\$20 / Adult, \$10 / Child or \$40 / Family (2A/2C)
CASH ONLY (sorry no Eftpos available)
Once registered participants can set off at their own leisure! Take it as fast or as slow as you like as it is not a race but a personal challenge.

Unwind and relish in your achievement, enjoy the beautiful setting that the Farm has to offer. There will be relaxed live acoustic music, a Food Stall with BBQ Food, Homemade Baking and Hot & Cold Refreshments available. Cash Only (sorry no Eftpos available)

LOVE YOUR WATER
RECYCLE YOUR MOBILE PHONE TO HELP RESTORE IT

It would be fantastic if you could bring into school any unwanted mobile phones you may have before the end of term. Phones collected help our School gain valuable rewards and the environment benefits to by keeping our landfills free of mobile phones and their array of hazardous toxic substances.

Please drop any unwanted mobile phones you may have in the collection box in the reception area at school.

We believe the future of our beautiful coastline & waterways can only be secured if we all work together.
