Tennyson Inlet Boat Club

Membership Information

- Join in yearly events and social occasions - picnic day, fishing competition and more
- Be involved in protecting our Sounds habitat for recreational boating
- Get collective representation on marine issues such as fishing regulations
- Receive the club quarterly newsletter (e-copy by default or please specify hard copy by mail)
- Membership discounts, advice for safe enjoyable boating and more
- Inclusive use of club-owned wharf and launching facilities for only \$60.00* per year.

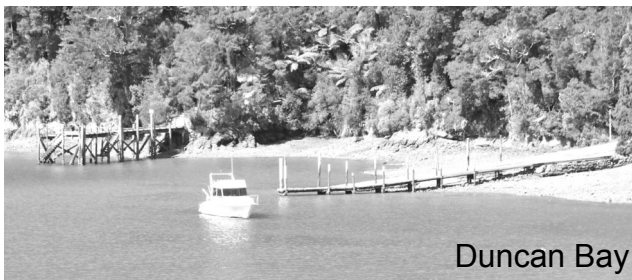

- Please note the membership fee is set each year at the AGM and is as such, sub-

The Club own and operate jetties and launching facilities in Penzance and Duncan Bays. Both bays have very good picnic facilities the enjoyment of all. They are ideal spots for departing for a days fishing. Or relax, swim and kayak from the beaches and sheltered waterways.

There are fantastic views from the deck of your boat, many sheltered anchorages and lots of places to go ashore and explore.

Join us in the regular picnic day, fishing competition and other events with club members who always enjoy time spent in the Sounds.

Club membership is spread from Auckland to Southland. This is as we have a good friendship base and Club members are only too willing to offer help and share their knowledge.

Annual Club Events

Every year on or around the 2nd of January is the Club's annual picnic day. This is held on the Betty Archer Memorial Reserve, Penzance Bay. Events like running and swimming races, tug-of-war, chocolate wheel, raffles, water slide for youngsters, egg throwing competition, shop on site - all make a great 'old fashioned' family fun day. Everyone goes home tired but happy.

Held on Easter Saturday

The club fishing competition has the weigh-in at 4pm sharp at the Duncan Bay Picnic Area. Novelty and age classes, great prizes and followed by a club-provided BBQ

Other Events

The club gives members a chance to visit Maud Island or other Marlborough Sounds destinations of choice, giving your family the chance to learn about the Sounds environment and meet the wildlife. Conservation, education and heritage are important to us all.

Remember Life Jackets for EVERYONE

ALWAYS check the weather

Be RESPONSIBLE and KEEP SAFE
